

SETTING UP YOUR MEETING OWL IN BLUEJEANS

1. Plug your Owl's USB cable into the base of the Owl, and into your computer.
2. Plug in your Owl's power adapter and wait until Owl's eyes stop pulsing.
3. Open Bluejeans.
4. Either enter your Meeting ID to join a meeting, or select start personal meetings.
5. If prompted, select **Computer Audio**.

6. Select **Save and skip next time**.
7. Select (⚙️) **Change Camera/Microphone**.
8. Select **Meeting Owl** as your Camera, Microphone, and Speaker, and ensure they are turned on.

9. Select **Join Meeting**.
